ACTEK HOIST RING
www.actek.co.kr
actek@actek.co.kr
Safe and Easy Lifting!!
Made in U.S.A.

Ultra Lifting Ring

Check up to five results to perform an action.

- The extra large inside diameter of this lift ring allows the user to utilize many styles and larger size hoist hooks.
- Die and mold makers will like the way this ring reacts to laying down and rolling the dies and molds over to work on them.
- Ball bearings give smooth swiveling and pivoting action.
- Magnetic Particle Inspected.
- Aircraft Quality "Chrome Moly". Strong & Tough.
Additional Sizes available Request.
